

Le Domus Romane di palazzo Valentini

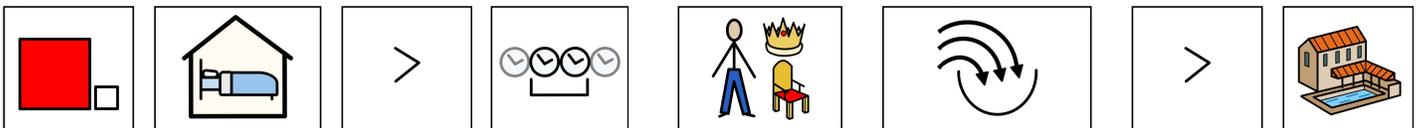

Nei sotterranei di Palazzo Valentini sono stati portati alla

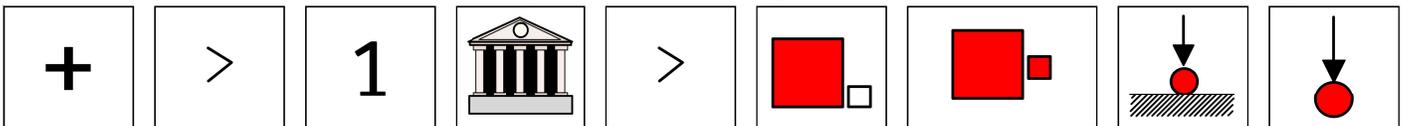

luce a partire dal 2005 i resti di 2

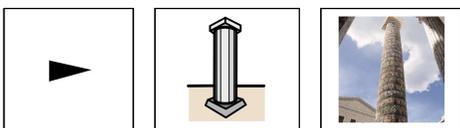

grandi residenze di epoca imperiale comprensive di terme

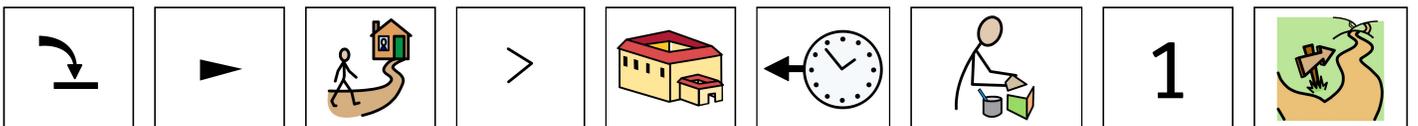

e di 1 tempio di grandi dimensioni situato presso

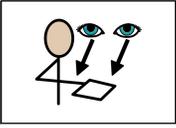

la Colonna Traiana.

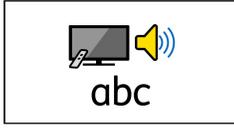

Per la visita delle Domus è stato realizzato 1 percorso

Espositivo

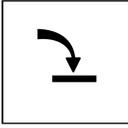

multimediale.

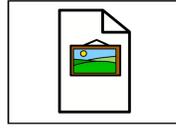

Grazie

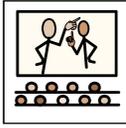

a

immagini,

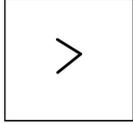

filmati

ricostruzioni virtuali

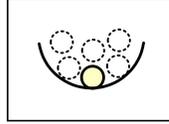

delle

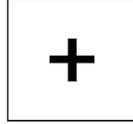

parti

mancanti

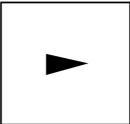

ed

effetti speciali,

il

visitatore

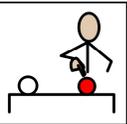

potrà

esplorare

questi

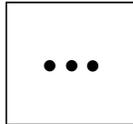

reperiti

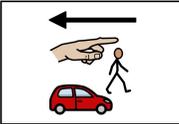

come

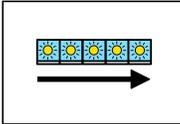

se

viaggiasse

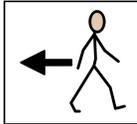

nel tempo,

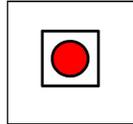

tornando

indietro

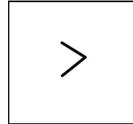

nella

Roma

di

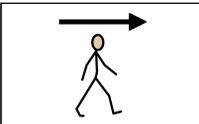

2000

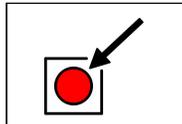

anni fa.

Camminerà

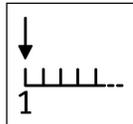

all'interno

della

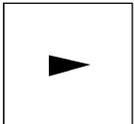

prima

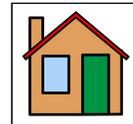

domus,

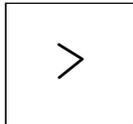

la

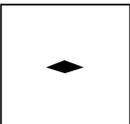

casa

di

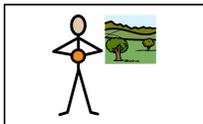

un

ricco

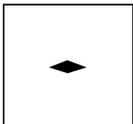

proprietario

forse

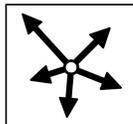

un

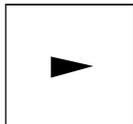

senatore,

dove

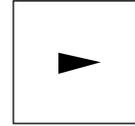

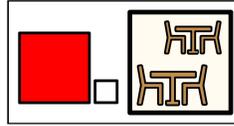

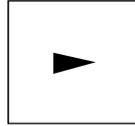

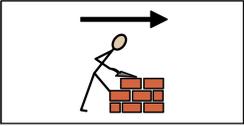

le

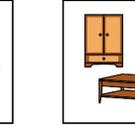

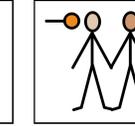

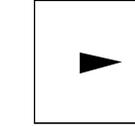

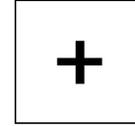

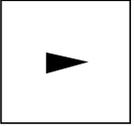

luci

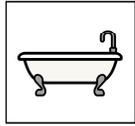

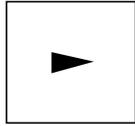

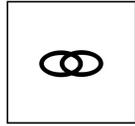

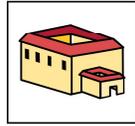

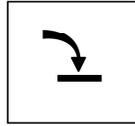

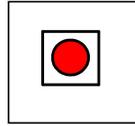

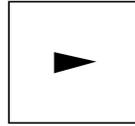

ricostruiranno gli ambienti, i saloni, le cucine,

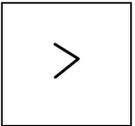

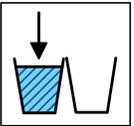

la palestra e i loro arredi.

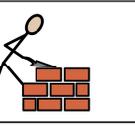

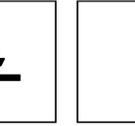

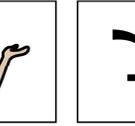

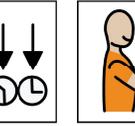

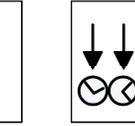

Visiterà le terme interne alle domus con le vasche

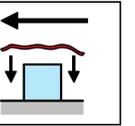

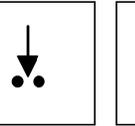

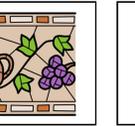

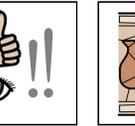

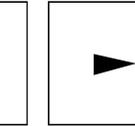

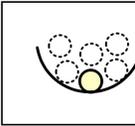

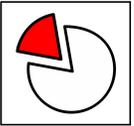

piene di acqua virtuale .

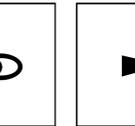

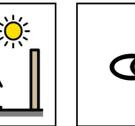

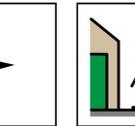

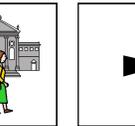

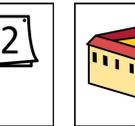

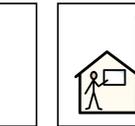

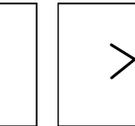

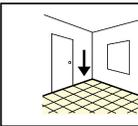

Potrà ammirare, sempre grazie alla ricostruzione virtuale delle

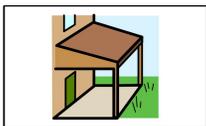

parti mancanti, il bellissimo mosaico che ricopriva il

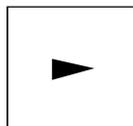

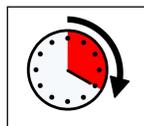

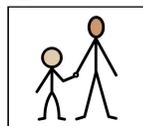

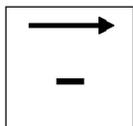

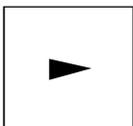

pavimento della seconda domus, visiterà il cortile con il

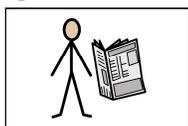

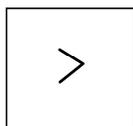

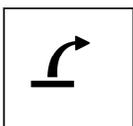

suo portico.

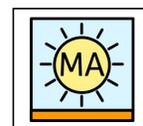

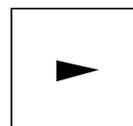

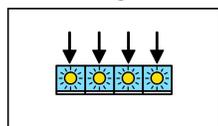

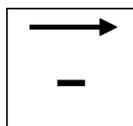

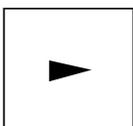

Il visitatore sarà guidato durante il percorso virtuale

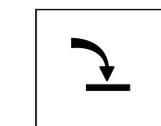

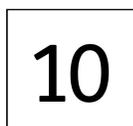

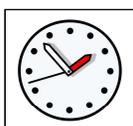

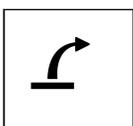

dalla voce del giornalista Piero Angela

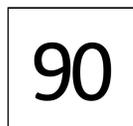

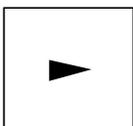

Il museo sarà visitabile tutti i giorni, escluso il martedì

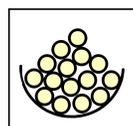

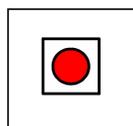

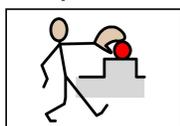

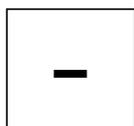

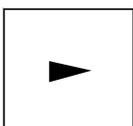

dalle ore 10 alle ore 19.

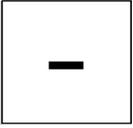

La visita dura circa 90 minuti.

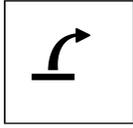

Le audioguide sono disponibili in molte lingue

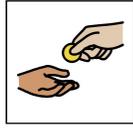

C'è

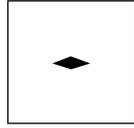

da

pagare

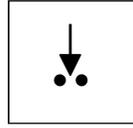

un

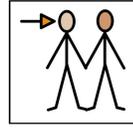

biglietto

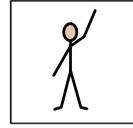

che

si

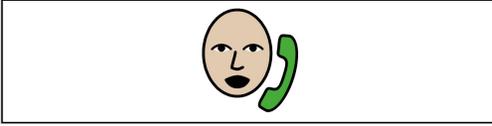

può

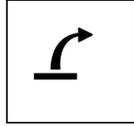

comprare

telefonando allo 06.87165343

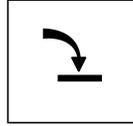

dal

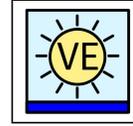

lunedì

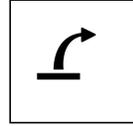

al

venerdì

dalle

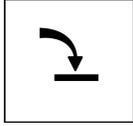

ore

9.30

alle

ore

18.00.
